Moodle Moot is for the first time in the South Island in the beautiful Garden City of Christchurch and hosted at Christchurch Polytechnic Institute of Technology. Featuring great international Moodle speakers...

Martin Dougiamas, Moodle founder and lead developer

Martin Knott, CEO of Moodlerooms Baltimore, USA

Shane Elliott, Moodle Core developer

Tom Murdock, Moodle Partner North Carolina, USA

Tuesday 13th April - Workshops

Developers Workshop with Martin Dougiamas (for developers and programmers only!)

Administrators Workshop with Shane Elliott & Julian Ridden (Pukunui Technology, Perth)

"New to Moodle" with Teresa Gibbison (University of Waikato) & Tabitha Roder (Unitec)

NZ School Teachers only! with Anton Coltham (e-Principle) & Miriam Laidlaw (HRDNZ)

Wednesday 14th and Thursday 15th April - Conference

More than 30 presentations and discussions across THREE different streams – 'Technical', 'Teachers & Teaching', and 'Commercial, Private and Public'.

Sessions including SLoodle (Second Life and Moodle), Moodle modules, Creating awesome Quizzes, Moodle Themes, Using Moodle to improve results, Turnitin integration, Moodle as a Corporate Academy, Moodle and GoogleDocs, Moodle in ICT Clusters, Moodle for work-based training, Moodle security, Running Moodle in a small NZ school, Looking forward to Moodle version 2.0, and many more!!!

Wednesday 14th April – Conference dinner

Enjoy yourself... and... **wear something orange!**

Early-bird (discounted) registration closes 13th March, register now at:
